Biography

Elena Chatila moved to Texas in the summer of 2015 during an already bustling career as a sought-after stylist in Scottsdale, Arizona. She loves to stay on top of the latest styles to keep her clients up to date with the latest trends. She has completed many Master Level education programs through Vidal Sassoon, Aquage, Matrix, and Brazilian Blowout.

Tailored to her clients' needs, Elena customizes color and cuts to best enhance their unique facial features and complement their individual skin tones. She is proficient and certified in Japanese Thermal Straightening and all Keratin/Brazilian smoothing treatments for those clients who want manageability for their hair, whether it's frizz-free or curl-free. Elena is also a certified Super Frecator skin technician.
